

EWI Trainer Position

About the position

Are you an experienced instructor with a passion for entrepreneurship and an appreciation of multicultural learners? Become an EWI Certified Entrepreneurship Trainer!

Trainers are vital to the success of our women entrepreneurs. They provide critical instruction, keep the classroom engaged and motivated, and ensure the success of all students to help them develop and launch micro-businesses. We are looking for women to become Trainers-in-Training to serve in our entrepreneurship programs in Arlington, VA, Rockville, MD and Herndon, VA.

Trainer Qualifications:

- Accomplished, results-driven, entrepreneurial leader
- Experienced classroom instructor or trainer with understanding of experiential learning methodologies
- Exceptional presentation and facilitation skills
- Adept at making course content concrete with real life narratives
- Able to facilitate classroom and group discussions while always keeping focus on course objectives
- Great interpersonal skills, enthusiasm and the personality and presence needed to engage the class
- Adaptable to sudden classroom challenges with facility, technology, and student challenges
- Cultural competency, empathy, and appreciation of multicultural learners with diverse backgrounds, cultural contexts, English language ability, and level of business development

Qualifications in *one or more* of the following strongly preferred:

- Experience mentoring, coaching, or providing other services to at-risk populations that have many competing challenges and distractions in their lives;
- Ability to provide support to students experiencing life challenges while keeping them focused on the goal of developing a business plan
- Subject matter expert in the creative, culinary, home-based, health-related or consulting industries
- Deep personal drive to help immigrants, low-income and at-risk women achieve economic empowerment

Becoming an EWI Certified Entrepreneurship Trainer

Attend our Train-the-Trainer program by completing the following requirements:

- Complete a two-hour Train-the-Trainer Orientation Workshop
- Attend all classes during the entrepreneurship program term
- Present, at a minimum, one ETS classes during the program with experienced instructor observing
- Facilitate small group activities and discussions during ETS program
- Provide minimum 3-5 hours of one-on-one business mentoring to 3 or more ETS students
